

MyWellbeing Rewards Overview

Through [MyWellbeing](#), part of the Live Well program, earn rewards when you and/or your spouse/domestic partner complete certain activities. On MyWellbeing you can participate in a variety of exciting challenges, take your Wellbeing Assessment, schedule a health screening, get personalized coaching (online or by phone), track your progress, earn rewards and have fun while doing it!

There are three levels: **Engage, Grow and Perform**. Through Dec. 8, 2021, earn rewards once you complete each level.

2. Gift cards are considered taxable compensation. Any gift cards earned by the employee and/or spouses/domestic partners will be added to the Assurant employee's taxable wages as imputed income. All Amazon gift cards **must** be claimed on MyWellbeing by the end of the program year on Dec. 8, 2021.
3. If it is unreasonably difficult due to a medical condition to meet the requirements for an incentive, call 855-792-2162 for assistance.
4. No earned incentives will be paid after an employee has terminated employment with Assurant.
5. While Dec. 8, 2021 is the 2021 deadline, as you reach each level throughout the year, the rewards will be paid out as soon as administratively possible within 30 days after points are earned.
