

ConsumerMedical's Expert Medical Decision Support Services

Find the right doctor. Get the best care.

Assurant has partnered with ConsumerMedical, a leader in providing medical decision support services and expert medical opinions.

You'll have access to an independent, qualified clinical support team drawn from leading academic hospitals and centers of excellence who can provide you with a virtual second opinion, refer you to elite local, in-network providers, and support your health care decisions. ConsumerMedical will work with you and your treating physician to ensure you're getting the best possible care. This valuable benefit can help you make sense of your diagnosis and all treatment options, and it's available at no cost to employees and family members enrolled in the Assurant health plan.

ConsumerMedical can help you:

- Get a virtual second opinion from our network of leading national experts.
- Find a high-quality doctor.
- Learn more about your condition.
- Make sure your diagnosis is correct and you understand what to expect.
- Compare your treatment options.
- Feel confident the treatment you choose is right for you.
