## Access Methods

Matching you to an attorney that best fits your needs

**Unique to LegalEASE, the concierge matching service solves issues members typically face when looking for the right attorney through the help of our advocates.**

- Advocates possess experience that narrows down the type of attorney needed for your matter.
- Your advocate will connect you with an experienced attorney with expertise in your legal matter.
- You are introduced to the law firm by the advocate.
- Advocates follow up with you for the life of the case.
- Matching typically takes 2 business days or less.
- The referral is for an experienced, qualified and available in-network attorney local to your legal matter.
- You face less stress because you spend less time looking for an attorney.

*With our concierge matching system all member questions will be answered regardless of their life matter.*
