

ON DEMAND WEBINAR EVENT

The Easiest Way to Lower Prescription Costs

Quit searching. Stop stressing. Start saving.

Listen to an informative webinar providing a helpful overview of Rx Savings Solutions. Learn how simple and effective this prescription savings service really is.

So many prescriptions offer at least one way to pay less for the same treatment. Very few consumers know all the options or where to look. RxSS does it all for you—automatically.

This webinar covers:

How to activate your free account

How to use the web or mobile app

How you and your family can save

A Q&A session follows the webinar presentation.

It Started with Betty

Betty needed eight monthly prescriptions to manage her health conditions. Her choice? Pay for food or medicine. Her pharmacist found ways to save Betty \$3,000 per year. He also created Rx Saving Solutions.
